### WORKSHOP TOPICS

\*Four interactive workshops rotating simultaneously during the day:

'Drivers of the future/Home consumer of the future' – how the business, work and consumer climate is changing for us,

**Paul Flatters Trajectory**

'Homebuilding Skills Partnership' – attracting the people the industry needs,  
**Jenny Herdman, Homebuilding Skills Partnership & Gillian Brewin, CITB**

'The housing market past and present' – a look at how the performance of the housing market since 2008 contrasts with markets of the past and how trends in housing affordability have affected market patterns and government policy measures: with thoughts about market and policy issues for the future,

**Lucy Greenwood, Savills**

'Digital construction' – a new way of working for all involved in the industry

**Craig Ferrans, HBF**
