

HBF Future Talent Conference

12 & 13 February 2019

A RESIDENTIAL EVENT

Sponsored by

Willows Training Centre, Wyboston Lakes Resort, Bedfordshire

The **HBF Future Talent Conference 2019** is the HBF's main event each year to bring together, trainees, graduates and apprentices with ambition and aspiration to progress their careers within the home building industry.

This interactive conference programme aims to provide learning insights on the main issues and changes for the industry from a national perspective that will enhance the delegates' knowledge and understanding as they develop their careers.

The conference begins with a plenary session of keynote industry speakers, before delegates are assembled into smaller groups and rotated around workshops for the remainder of the day.

This year will also see separate group projects set for the delegates. Time will be allocated during the first evening and main day to allow for maximum engagement within the groups and the last session of the day offers the opportunity to present their findings. The projects will be set around key industry issues.

This residential event is being held at the Willows Training Centre, part of the Wyboston Lakes Resort and begins on the 12 February with a networking buffet from 7pm. As part of the package, delegates will then reside in the onsite accommodation and return to the conference rooms the following day.
