

DPC TO ROOF

IN JUST FIVE DAYS

H+H UK Ltd can offer a fast build masonry alternative to both Timber Frame and aggregate. Our Vertical Wall Panels are erected onsite and can build a house shell from DPC to Roof in just five days.

Is a fast build MMC aircrete system something you've been waiting for?
Call us now on 01732 880 111 or email iot.uk@hplush.com
