BEST REFURBISHMENT PROJECT

Entrants must display how they have taken an existing structure (or structures) and refurbished or renovated it (or them) to produce a residential development of imagination and excellence in overall design, including aesthetics, suitability for purpose and sustainability issues

The category is open to projects which have taken an existing structure and refurbished to a high level design to produce a new residential development – before and after comparisons of the refurbishment will be welcomed.

Entries will be judged on some or all of the following:

- Imagination, creativity and excellence in design
- Excellence in design in terms of place making/ use of space
- Excellence in design in terms of liveability/suitability for use
- Excellence of design in terms of use of materials
- Excellence of design in terms of providing an attractive environment for residents

THIRD PARTY TESTIMONIALS ARE WELCOMED AND ENCOURAGED IN ALL CATEGORIES
