We hope that you can join us for a drink after the conference in Haslett and Marconi rooms at the IET.

Detail of breakout topics

All delegates will have the opportunity to attend all three breakout sessions. You have been allocated a room – marked on your name badge – which is where you will be for all breakout topics. The panel will rotate through the rooms – giving you access to all topics which are outlined below. The panel will take questions from the audience, and there is an opportunity to have your say on Slido. You will access to the Slido link in your allocated room at the time of your breakout session.

The breakout session topics are:

Future Homes: How can we deliver homes that are low carbon, water efficient, smart, comfortable and affordable.

Future Places: How can we deliver places and developments that are consistently low carbon, nature-rich, resilient, healthy, well designed and beautiful.

Future Business: How can we collaborate to create business value from sustainability?

If you have any questions about the breakout sessions, please visit the registration desk.
